In enclosing herewith a copy of the resolution of the Corporation passed at their meeting held on 8th June 1955 together with a copy of the proposition statement, I write to state as follows -

In connection with certain defalcations of Municipal funds by a Bill Collector of the Revenue Department of this Corporation, the auditor requested to take up the audit of the accounts of the period and at his report the Controller State Accounts Department in his letter No 10941/C S A dated 1st February 1955 requested that an additional post of a first grade clerk of his department in the scale of Rs 60-5-90-8-130-10-180 with a duty allowance of Rs 10/-P M be sanctioned for the above purpose for a period of one year in the first instance to work in the Office of the Auditor, Corporation of the City of Bangalore, the expenses in this behalf being met out of the Corporation funds as usual In cases of defalcations and other serious irregularities, it is absolutely necessary to check all the bill books and other records used by the Bill collectors, during their entire period of service, with reference to the posts they held, where they committed the defalcation or other irregularities As such detailed audit takes a lot of time and cannot be attended to by the existing staff of the audit section attached to the Corporation of the City of Bangalore, without serious dislocation of their legitimate work, the creation of the above post is found -

P T O

found necessary as stated by the Controller, and is approved by the Corporation The extra cost of Rs 1,656/- in this behalf will be met out of the Budget allotment of Rs 15,000/- under E Mis Additional staff
